If you're looking for a charity that ensures that nearly **every dollar** goes directly to helping children in need - not to overhead, check out Baal Dan (which means Donation to Children in Hindi).

Founded in 2006, Baal Dan's mission has been to provide **food, education and supplies** to children in need (e.g. orphans and impoverished children suffering from hunger) through a network of trusted grassroots organizations in Africa, Asia, North and South America.

You can be part of **making a difference**.

Your dollars can have **the most impact** by giving to charity where there is virtually no overhead and a proven track record of impact.

Together, we can **create a world** where no child lives in hunger, and where every child has the opportunity to grow, learn, and dream.
